

Risk Assessment 2021 for Cu Chulainn WPC (Club)

This Club operates as a provider of a relevant service to children and young people and as such we are required as a Club affiliated to Swim Ireland to undertake an assessment of any potential for harm (referred to as 'risk') to a child while availing of our club activities. The risk assessment has been developed to ensure adherence to the NI Safeguarding Standards for Children's Sport.

This risk assessment considers the potential for harm to come to children and young people whilst they are in the care our Club based on the risk of abuse and not general health and safety risk (covered under a separate H&S policy and risk assessment). The subsequent detail in the Child Safeguarding Statement 2021 is based on this risk assessment and will be completed/updated following completion of this Risk Assessment 2021 document.

Instructions for completion of this Risk Assessment

The risk assessment must be discussed and completed at Committee level and then signed by an Officer on the committee and the Club Children's Officer. The discussion, completion and subsequent signing must be recorded in the minutes of the meeting. The Secretary of the Club must upload a copy of the fully completed and signed Risk Assessment 2021 to the Club profile on the Membership database.

The risk assessment is completed under the following five headings:

Potential risk of harm to children – identified risks of harm to children whilst accessing activities in the Club

Likelihood of risk – the likelihood of the risk happening in the Club using Low, Medium or High as measures of risk

Required Policy, Guidance and Procedure document – policy/policies required to alleviate the risk identified

Responsibility – where the responsibility lies for alleviating the identified risk

Further action – where further action might be necessary to alleviate any risk ongoing

The policy, guidance and procedures refer to the Swim Ireland Safeguarding Policy 2019 and any other rules or policy guidance in place.
